

Turn Your Butterfly Mop into a Mr. Clean Magic Eraser Butterfly Mop! Fits Most Butterfly Mops!

To Change Your Mr. Clean Magic Eraser® Mop:

1. Remove the existing sponge head by unscrewing the wing nuts.
2. Using the original screws from the mop, remove them from the used mop head by sliding them out. Then slide them onto the refill backing plate using the outside slots. If you need to use new screws from the refill box, use the longer set of screws.

3. Line up the screws with the holes on the mop paddles and secure with the blue wing nuts

To Change Other Butterfly Mops and make them a Mr. Clean Magic Eraser® Mop:

1. Remove the existing sponge from your mop.
2. Use the 2 shorter screws inside your refill box. 
3. Line up the screws with the holes on your mop paddles. You will either use the inside slots or the outside slots, depending on your mop and the position of the screw holes. Slide the screws into the slots.

The slots will either be on the inside

The slots will either be on the outside

4. Feed the screws through the holes on your mop paddles and secure with the blue wing nuts provided in the refill box.
